With the Darent Valley and the North Downs Way, Sevenoaks can offer a wealth of excellent walks within easy reach of 7 Hotel. On foot or by car.

A day can be spent in the popular Shoreham Woods with a visit to the Historic village of Shoreham a must.

Shoreham is a stone age settlement and is mentioned in the doomsday book. A visit to the WW2 aircraft museum is well worthwhile (only open on Sundays and Bank holidays). If you're lucky enough to be here on May bank Monday, come along to the annual Duck Race. Don't forget to bring a duck (a plastic one will suffice), hundreds take part and money raised goes to charity.
